Missionaries to West Africa

January Prayer Letter 2026

Meetings

The Lord has blessed us with another great month on the road. We were able to travel to **Pennsylvania, West Virginia, Texas, and Tennessee** to share our burden for West Africa. The Lord also provided a couple **new supporters** this past month. We are grateful for all the Lord continues to do in our lives. Please continue to **pray for safety** as we continue traveling to raise the rest of our needed support to return to West Africa.

Loss in the Family

This past week, **Victoria's grandpa passed away**. We are thankful that when it was Victoria's grandpa's time to go, he was ready to see the Lord as he had a testimony of salvation. We ask you to please keep Victoria and her family in your prayers.

Reflection

We are reminded in Scripture that our lives are not our own, and we are not promised another breath here on earth. **James 4:14**- "Whereas ye know not what shall be on the morrow. For what is your life? It is even a vapour, that appeareth for a little time, and then vanisheth away." Life is brief. It is fragile. At any moment, our time here could come to an end. That truth is not meant to cause fear in the believer, but cause us to focus our lives on glorifying God.
